O R D E R.

No. 9642/36.- Whereas the Tata Hydro-Electric Power Supply Company, Limited (hereinafter referred to as the Company), being the permitted assigns of the Bombay (Hydro-Electric) License, 1907, (hereinafter refewred to as "the said License") applied to the Government of Bombay to authorise the Company to supply energy to Dr. Ardeshir Sheriar Irani of Lonavla (hereinafter referred to as 'the Consumer') at his premises bearing survey Nos. (hereinafter referred to as the "said premises"), which said premises are situate outside the area of supply as specified in the said license.

And whereas by an agreement dated the eighteenth day of November, one thousand nine hundred and forty-eight made between the Company of the one part and the consumer of the other part, it has been agreed that subject to the authority of the Government of Bombay and subject to the terms and conditions mentioned in the said license, the consumer shall, from the date on which the said premises shall be connected to the Company's distributing system take from the Company a constant supply of energy for a period of not less than two years for any or all the purposes for which the Company is authorised to supply energy to other consumers under the said license.

And whereas the said premises are not within the area of supply of any other licensee under the Indian Electricity Act. 1910

1910(IX 20

Now, therefore, in exercise of the powers conferred by section 37 of the Indian Electricity Act, 1910(IX of 1910), the Government of Bombay is pleased to authorise the Company to supply energy to the consumer at the said premises which are outside the area of supply as specified in the Bombay (Hydro-Electric) Licenses, 1907, and for that purpose to lay down or place electric supply lines, subject to the provisions of the said Act, the rules made thereunder and the terms and conditions of the said license, as if the said supply were made within the area of supply.

Two revised draft notifications are sent herewith.

2. It is proposed to appoint Messrs. Joshi and Guard to be Electric Inspectors not only within the districts but also within the States adjacent to the districts. The States areas have not been separately specified by the P.W.D. in their draft on the presumption that under P. and S.D. Circular No. 2735/46-F, dated 28th October 1945, the jurisdiction of the district Officers have been extended to the State areas mentioned against each district. It has been repeatedly held that the States areas do not form part of the Province of Bombay and as such they cannot form part of the district. The Circular in question is of an executive character and is intended for the specific purpose mentioned therein. To carry out Government intention it is necessary to appoint Messrs. Joshi and Guard as Electric Inspectors within the States areas under para. 3 of the Indian States (Application Laws) Order, 1948 and paragraph 3 of the Kolhapur State (Application of Laws) Order, 1949, by which the Indian Electricity Act, 1910, has been extended to the Indian States and the Kolhapur State respectively. The P.W.D. should fill in the names of Indian States in the Schedule of the two notifications jurisdiction over which is to be given to the Electric Inspectors.

3. The Indian Electricity Act, 1910, has not been applied to the Baroda State. A separate notification will have to be issued under the Electricity Act corresponding to the Indian Electicity Act, 1910, if any in force in Baroda State. P. and S.D. may be consulted about this.
